Regarding: Docket No. FAA—2000—7479; Notice No. 00—05

Dear Sir/Madam:

On behalf of the Hancock County, Board of County Commissioners, owners and operators of the Hancock County-Bar Harbor Airport, I respectfully request that the FAA extend the comment period on the above referenced notice of proposed rule making. We ask that the comment period be extended from September 19, 2000, to December 20, 2000. We feel the FAA has underestimated the economic impact these regulations will have on our airport; and we need the additional time to collect the information and prepare accurate estimates of the NPRM's impact on our airport.

Sincerely yours,

Robert A. Cossette
Airport Manager
